VINALIA

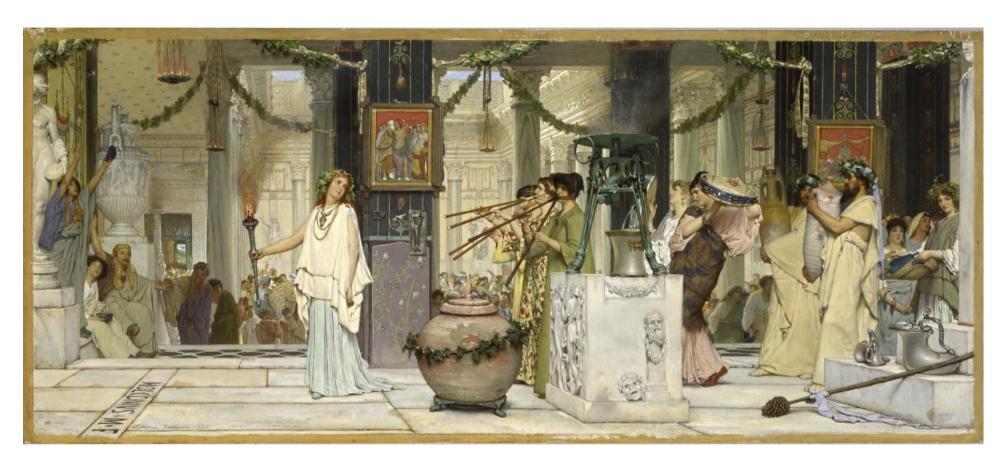

DEGUSTANDIS VINIS INSTITUTE

VINALIA Il progetto

In Ancient Rome the Vinalia were the festivals established to taste wines (Degustandis Vinis Institute) both in honour of Venus, as the patron of wine intended for daily use (Vinum Spurcum), and of Jupiter, as the patron of stronger wine, purer and sacrificial (Temetum).

VINALIA Il progetto

Two were the Festivals during the year, April 23rd "La Vinalia Urbana" and August 19th "La Vinalia Rustica".

Special collection of stemglasses, with a contemporary design, dedicated to the Vinalia to celebrate wine (Vinum Vitae Est).

VINALIADEGUSTANDIS VINIS INSTITUTE

- Super-light and balanced when tasting.
- Robust and flexible.
- These tasting tools, developed using artisaninspired techniques, enhance all the aromatic notes of the different styles of wine by reducing the alcoholic content.
- During the tasting, the wine is appropriately directed towards the more sensitive taste buds. The result is a taste without equal.

Developed specifically to add mix **high functionality** and **contemporary design** to the barware offer

- → Fully tempered: for a intensive daily professional use and a longer life cycle
- → Easy Grip
- → Smart Design:
 - the fluted pattern hides scratches over time = longer lifecycle, aesthetic and not only functional
 - The design allows the air circulation avoiding condensation after dishwashing
- → Stackability: space saving
